BART and SamTrans Must Work Together To Resolve Differences Over Funding, Lantos Says

Washington, DC – *Upon the announcement that the Bay Area Rapid Transit District intends to sue the San Mateo Transit District, Congressman Tom Lantos (D-San Mateo, San Francisco), made the following statement:*

"Extending BART to San Francisco International Airport has been the Peninsula's number one transportation priority. While ridership has not yet met expectations, we have made an important investment for the future of our region. I urge BART and SamTrans to work together to resolve their differences."
